

Chapter 8 - Asbestos, Sulfur and Nitrogen Oxides

800 [NOT IN SIP]

801 SULFUR CONTENT OF FUEL OILS

801.1 The purchase, sale, offer for sale, storage, transport, or the use of, fuel oil which contains more than one percent (1%) sulfur by weight in the District is prohibited, if the fuel oil is to be burned in the District.

802 SULFUR CONTENT OF COAL

802.1 The purchase, sale, offer for sale, storage, transport, or use of coal which contains more than one percent (1%) sulfur by weight in the District shall be prohibited, if the coal is to be burned in the District. However, when the Mayor certifies in writing that the combustion-gas-desulfurization system used at a stationary source results in sulfur oxide emission no greater than the emissions normally resulting from the burning of coal with one percent (1%) sulfur content, coal of a higher sulfur content may be burned at the stationary source.

802.2 Application for a certification shall be made in writing to the Mayor by the owner or operator of the stationary source and, upon presentation to a seller of the certification, a copy of which shall be retained by the seller, the sale, purchase, and transportation of the coal shall be permitted.

803 SULFUR PROCESS EMISSIONS

803.1 The discharge into the atmosphere of sulfur oxides calculated as sulfur dioxide, in excess of five one hundredths percent (0.05%) by volume is prohibited.

803.2 Where the process or the design of equipment is such as to permit more than one interpretation of this section, the interpretation that results in the minimum value of allowable emissions shall apply.

803.3 Adding diluted air to the exhaust gas stream for the purpose of complying with the provisions of §§803.1 through 803.2 is prohibited.

804 NITROGEN OXIDE EMISSIONS

- 804.1 No person shall discharge, or cause the discharge into the atmosphere of nitrogen oxides from fossil fuel-fired steam generating units of more than one hundred million (100,000,000) British Thermal Units (B.T.U.) per hour heat input in excess of the emission limits set forth in Appendix No. 1.

899 DEFINITIONS AND ABBREVIATIONS

- 899.1 The meanings ascribed to the definitions appearing in § 199.1 of chapter 1 of this title shall apply to the terms in this chapter.
- 899.2 The meanings ascribed to the abbreviations appearing in §199.2 of chapter I of this title shall apply to the abbreviations in this chapter.
